致：豪景花園全體業戶：

### 有關：注意公德 妥善處理丟棄口罩

最近發現有人在屋苑內隨地丟掉使用過的口罩，亦有業戶投訴在露台發現由上層掉落的口罩，此等行為不但有違公德，更會增加新型冠狀病毒傳播風險。

顧己及人，所有卸除的口罩需先用小型密封袋包好後，才棄置於有蓋垃圾桶內，並立即洗手。多謝合作！

### Used Mask Should Well Pack Before Discard In Lidded Rubbish Bin

Recently some cases of littering used surgical masks were found within the estate. This behavior is obviously inappropriate, either outraging public decency or rising risk for the novel coronavirus spreads out.

Think for others : After taking off the surgical mask, well pack it in a compact sealing bag before discard into a lidded rubbish bin and perform hand hygiene immediately.

Thank you for your cooperation.
